

Fixtures Secretary report:

Please be aware that I wish to stand down from being Fixtures Sec from October 2025 but I will continue into the coming year.

I attended the Event Scheduling Group meeting on 15th Oct. These meetings take place twice a year plus some additional work dealing with local issues and helping persuade clubs to take on major events. A couple of possible events that need hosts are the YBT final in 2026 or 2027 and CSC heats - Feb 27th 2026 or 28th Feb 2027.

The rota for JHI has 9-10 Oct 2027 down for NEOA to organise.

It is accepted that NEOA have limited capacity but I think we do well to offer major events periodically and achieve a high standard of delivery - as instanced by BOC this year and CLOK's CSC Finals.
